

Welcome to the first edition of WVCTC Newsletter. Our newsletter will be released on a regular basis to inform our valued members of upcoming shoots, results, new developments, improvements being made to our club in fact, any news deemed appropriate to be published in the news letter.

The new committee has been busy settling in and running successful shoots since the election. It is fair to say that the committee members have settled into their new positions and have hit the ground running. The WVCTC is headed up by the following enthusiastic people:

President: Tony Faranda
Vice President: Tony De Muri
Secretary: Claire Watts
Treasurer: Paul Watts

Committee Members:

Chris Brown, Joe Faranda, Peter Abaci, Anthony Gurciullo, Ian Urch, James Strangis and, Gino Strangis.

AROUND THE GROUND:

The committee has made a number of improvements around the club house and trap houses with the grounds looking great considering it is winter.

The cover over the trench area has had cladding placed on the under side of the roof to keep the birds from nesting up there. The posts have been painted a bright red which look great. The ammo stands have been sent off to be sand blasted and once they are back, they will also be painted and refitted.

The area around the trench ground and shed has been cleaned up, rubbish removed and

empty target boxes disposed of regularly.

There are a number of other improvements planned for around the grounds. These will be revealed as they are approved so stay tuned.

SPORTING SHOOTERS:

For our sporting shooters, a new system has been ordered and will be installed in the next month.

A sporting competition is planned for September which will be run by our youngest committee member, James Strangis.

The duck and quail seasons may be over for another year but don't put those sporters in storage yet, come along and support this initiative and have some fun at the same time. The date is to be confirmed soon.

WVCTC WEB SITE:

For those that may not be aware, the WVCTC web site was hacked some time ago. The web site is in the process of being rebuilt and will be up and running shortly. In the mean time, shooting programs are still available on the web site by clicking on the link for the particular month.

FACEBOOK:

For those who prefer to use social media, our facebook page is a great way to find out what is happening around the club. It is also a great way to keep in touch with fellow members particularly when away at large shoots around the country or overseas. If you haven't as yet, get onto facebook and LIKE our page.

CLUB SHIRTS & OTHER GEAR:

WVCTC apparel is now available for all to purchase. We have mens polo tops at \$35, unisex Tee shirts at \$30, unisex jackets and vests at \$55, caps at \$15 and sports bags at \$40. Embroidered badges will soon be available for \$10. These can be sewn on your shooting vests or other clothing.

SHOOTING SUPPLIES:

The counter will soon be restocked with supplies such as gun oil & grease, ear muffs, cleaning gear and most supplies we seem to use on a regular basis. If you should need supplies, come and see us in the club house for your needs at competitive prices and convenience.

SHOOT RESULTS 29TH JUNE:

On a cold and wet Sunday, 23 keen shooters competed on the day. The program consisted of 25 targets continental trap, 25 targets single barrel and 50 targets double barrel being the main event of the day. Only two shooters shot the possible, A grader James Strangis and young C grader Nick Krt. The shoot off didn't go for long with Nick dropping his 8th target resulting in James taking top spot and the sash. Congratulations to Nick for obtaining his first 50 break on the day and making it to the shoot off. It was great to see shooters of all grades congratulating Nick after the event (but I think they were actually asking for some coaching lessons ☺). Well done Nick, hopefully we will see more of you around WVCTC.
