

Here we are on the run home to Christmas and the end of 2014. Although this year has been extremely busy for the WVCTC committee and I must say, frustrating at times, it was and is still very rewarding and pleasing to be part of this great club. We have some big plans for WVCTC and improvements which some have already taken place. We have a new score board with glass front, a wind break and bench in front of the noms office so shooters don't have to wrestle with the wind while filling out their forms (not that it is often windy at Werribee☺), new sporting traps and system, the club house and surrounding area has been cleaned up and the building will be washed down this week in preparation for our Christmas shoot on 7<sup>th</sup> December.

The latest improvement has been the instalment of tables and chairs outside the club rooms under the verandah where members and guests can socialise and watch shooters on trap 2.

There are a number of additional improvements which we would have liked to have completed this side of Christmas but time wasn't on our side. These are now planned for early in 2015 and will be advised as they happen so stay tuned.

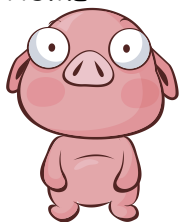

## CHRISTMAS SHOOTS:

As mentioned, we have the WVCTC Christmas shoot on 7<sup>th</sup> December which is shaping up to be a fun and exciting day. We have a great program lined up starting at 10am and the Ladies Taipan Shield to be held straight after lunch.

A hot roast lunch will be served at 12.30pm so please nom up early so that we can finish early and then retreat to the bar for happy hour.

## WVCTC MEMBERS BRING HOME THE BACON:

A number of Werribee members went down to the Frankston Christmas Shoot on Sunday 30<sup>th</sup> November and won a number of events. Chris Brown, Alan Wilson, Riley Wilson, Alexis Preston, Bill Preston, Jimmy and Gino Strangis (sincere apologies if I missed anyone) won various events and were rewarded with legs of ham for their efforts. Congratulations to all and enjoy your ham.

Of course, you all have a chance to win hams, turkeys and chooks this Sunday at Werribee, good luck to all!!

## MEMBERSHIPS:

Membership applications have been mailed out to members. Please ensure fees are paid before 1<sup>st</sup> January. Fees must be paid by this date to enable members to vote at the AGM. Should you have not received

your application, please see Sonia at the bar or a committee member to obtain a form.

## ACCESS ROAD:

Just a reminder to keep the speed down on the access road to avoid damage and keep the dust down particularly in summer.

## WEB SITE:

We are happy to report that the web site is up and running and looks great. The site has general information about our club plus Werribee shoot results, monthly shoot programs and you will also find the newsletter there. Please spend some time browsing the site and send through your feedback as we wish to make it as informative and user friendly as possible.

## CLUB APPAREL:

WVCTC apparel is available to purchase through Sonia or a committee member if Sonia is not available. We have many sizes available but should we not have your size, we can place a special order for you.

## SHOOT RESULTS:

You will find results from various WVCTC shoots on the next page.

## FESTIVE SEASON:

On behalf of WVCTC Committee, we wish all members, family and friends a Very Merry Christmas and Safe and Prosperous 2015. Stay safe and see you around the traps!
