

Welcome to the WVCTC March Newsletter, just a short one this month.

For those that have been around the club over the last few weeks will have noticed the clubhouse has had a few fresh coats of paint. I must say the clubhouse is looking fresh, inside and out. The memorabilia taken off the walls (so that the painters could do their job) still needs to be put back up. This will happen over the next month or so as the best way to hang it back up is worked out.

The committee can tick this task off the long list of planned improvements. As mentioned previously, the WVCTC committee has a number of planned improvements around the clubhouse and grounds which will be revealed as they are approved, are happening or just before, they don't want to give away too much ☺!

Needless to say, the committee intend to develop the club into one that all members are proud of and visitors envious of. I am sure you will all agree that they are well on their way to doing so.

ANNUAL GENERAL MEETING:

The WVCTC AGM is to be held during April, members will receive notification in the mail shortly. Please give this important meeting consideration. Consideration should also be given to nominating to join the committee as the club cannot run without one. Members that believe they can contribute to the running of WVCTC can nominate for a committee

position. It can be a very rewarding experience being involved with running a great club.

SPORTING SHOOT:

Just a reminder that we have our first sporting shoot on Sunday 15th March, just in time to get your eye in for duck season which starts on 21st March. There will be two grounds running on the day so dust off the sporter and come on down, I am sure it will be a great day.

For those hitting the swamps, lakes, rivers or where ever your favourite duck location is, take care and hope you all bag out. For 2015, bag limits are 10 game ducks which includes no more than two Blue-winged Shoveler on opening day ONLY. The remainder of the season, bag limit is reduced to 5 game ducks per day and no more than one Blue-winged Shoveler.

Happy hunting and be safe!

ACCESS ROAD:

It is disappointing to see that many drivers are still treating the access road as their personal drag strip. For the safety and comfort of all, please keep your speed down.

MEMBERSHIPS:

Memberships are well overdue, if you haven't paid your fees as yet, please make an effort to do so ASAP.

CLUB APPAREL:

WVCTC apparel is available to purchase through Sonia or a committee member if Sonia is

not available. We have many sizes available but should we not have your size, we can place a special order for you.

SHOOTING SUPPLIES:

The club offers the convenience of purchasing cleaning, lubricating and safety gear (earmuffs and glasses) from the counter next to the bar at competitive pricing. Please see Sonia at the bar for your requirements.

See you around the traps!
